FR. RON'S RAMBLINGS

A special word of congratulations are in order today for Garrett Dupre, one of our senior altar servers who is receiving his Eagle Scout award at the Hudson Elks. If you recall Garrett's scout project was to build the very attractive wooden boxes for food collections for the food pantry, not just in our church but in other area churches as well. We are proud and grateful that he is one of our parishioners!

On another note, this weekend is the kick off weekend for the Catholic Appeal in the Archdiocese. As you know this is the major fundraiser throughout the Boston Archdiocese each year. Many of you are on the mailing list; and many more of you are asked to pick up the literature in church and contribute to the best of your ability.

Every parish is assessed a target amount that the parish needs to make up if the appeal does not reach its goal. The last two years we were several thousand dollars short, but fortunately that amount was forgiven due to certain circumstances. However, that will not be happening again this year. Our goal is \$36,303.00 and I am asking you to help us reach that goal so we will not have to dip into our parish account.

Thank you in advance for your generosity.

Uma palavra especial de congratulações vai hoje para Garrett Dupre, um de nossos servidores mais velhos do altar que está recebendo o seu prêmio de Escoteiro no Clube Elks de Hudson. Se você se lembra o projeto escoteiro de Garrett foi construir as caixas muito atraentes de madeira para as colectas de alimentos para a despensa de alimentos, não apenas em nossa igreja, mas em outras igrejas da área também. Nós estamos orgulhosos e gratos a ele por ser um de nossos paroquianos!

Em outra nota, este fim de semana será a abertura inicial do Apelo Católico na Arquidiocese. Como você sabe este é o levantamento principal de fundos em toda a Arquidiocese de Boston a cada ano. Muitos de vocês estão na lista do correio; e muitos outros de vocês são convidados a pegar as informações na igreja e contribuir com o maximo que puderem.

Cada paróquia é avaliada uma quantidade destinada que a paróquia necessita levantar se o recurso não atingir a sua meta. Nos últimos dois anos nós estivemos com vários milhares de dólares curtos, mas felizmente esse montante foi perdoado devido a certas circunstâncias. No entanto, isto não irá acontecer novamente este ano. O nosso objetivo é \$36,303.00 e Eu estou lhes pedindo para nos ajudar a alcançar esse objetivo, para não termos de tirar da nossa conta paroquial.

Eu agradeço antecipadamente a sua generosidade.

MESSAGE FROM THE PARISH NURSE

March is Poison Prevention Month

There are two basic themes for Poison Prevention.....'CHILDREN ACT FAST....SO DOES POISONS" AND "POISONING SPANS A LIFETIME." Here are some Poison Prevention Tips for you to be aware of:

1. Store medicines and household products in their original containers and where children cannot see or reach them.
2. Use child-resistant packaging and replace the caps tightly.
3. Store household products in a different place from food and medicine.
4. Keep purses and briefcases out of children's reach, especially if you carry medicines in them.
5. When taking or giving medicine read the label beforehand. Only use medicine as directed by your doctor or the label. Call medicine by its proper name, not "candy". Take your medicine in a place where children cannot watch...they learn by imitating adults.
6. Use household products according to label directions. Mixing household products can cause dangerous gases to form.
7. Keep house plants out of children's reach. Even if the plants are not poisonous, they might cause choking.
8. To prevent carbon monoxide poisoning keep appliances, furnaces, fireplaces and wood-burning stoves in good repair. Install a carbon monoxide alarm in your home and replace batteries twice a year.
9. When answering the phone or the door take open products OR YOUR CHILDREN with you. Many incidents happen when adults are distracted, even for only a few moments.
10. Put the poison center number 1-800-222-1222 on or near your phone. This national toll-free number works from anyplace in the U.S. 24 hours a day, 7 days a week, 365 days a year. Calls are free and confidential and translation services are available in over 150 languages.
11. Be sure that EVERY home where your children spend time is poison-proofed. Poisonings have happened when youngsters have visited homes where no children live, when they find medicine containers left in purses or on bedside tables and when older persons have carried medicines into THEIR homes.

Sunday Throughout the Week:

SHARING THE GOSPEL

Like a gardener, God gives you a chance to grow and change. If you are feeling a little droopy, he waters you with messages of love. If you seem to be leaning the wrong way, he gives you plant food to teach you right and wrong. God's words will be the roots of your faith. They will help you grow in any soil. God will pull weeds from around your roots. You will grow tall and healthy.

PRAYER

Lord, keep the weeds out of my life.

SOMETHING TO DRAW

Draw God watering you and pulling the weeds out of your garden.

MISSION FOR THE WEEK

Help your mother pull the weeds out of her flower garden.
